Substance of Interview

(For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

The examiner called and left a message for Mr. Boyd on 2/27/2013 informing him that the Patent Trial and Appeal Board had reversed the examiner's rejection of claims 40-43 and that withdrawn claims 44-56 would need to be cancelled to get the application in condition for allowance. See: MPEP 1214.05. Mr. Boyd called the examiner back on 2/28/2013 and it was agreed that claims 44-56 could be cancelled by Examiner's Amendment.

Applicant recodation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recodation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recodation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recodation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
